Description

With a twin Volvo Penta IPS 600 engine, we are proud to introduce the **2016 Absolute 45 FLY,** a product of the prestigious Italian yacht company Absolute. Installed in 2020 for around USD 42,000, it has an improved Mitsubishi anti-rolling gyro (under navigation and at anchor).
The yacht's combination of luxury and functionality is demonstrated by the salon's comfortable and socially interactive design. The interior features a sun pad next to the upper helm that provides an elevated perspective and is ideal for entertaining, a crew grill, a wide U-shaped lounge, a VIP cabin, and a suite master cabin. With a maximum lifting capacity of 250 kg, the hydraulic swim platform in the stern makes it easy to place a jet ski or tender in addition to facilitating water sports.
This 2016 Absolute 45 FLY offers a balanced mix of comfort and utility, making it a perfect choice for boating enthusiasts. For viewing and further information on this 2016 Absolute 45, please contact us!
