Description

Flybridge from the Piacenza shipyard. Powered by 2x Volvo Penta D8-IPS800 and a few hours of racing. Flybridge extended aft to cover the cockpit entirely, houses a "C" shaped dinette, a bar/equipped galley cabinet, sundeck and the second helm station surrounded by sofas that can be converted into chaise longues. The galley is strategically positioned aft to easily serve both the saloon table and the external cockpit. The main wheelhouse, on the starboard side, is flanked by a very useful side door, ideal for manoeuvres with a small crew. It consists of 3 cabins and 3 private bathrooms: Owner's cabin amidships with full beam, VIP cabin forward and guest cabin with two flat beds. There is a crew cabin with bathroom. PRICE ON REQUEST.
