Description

This text has been translated automatically.

The AluForce AF-E-600HT offers its owners all the advantages of the dynamically stable and robust AluForce model range. The cockpit features an extra high freeboard, and the negatively inclined windscreen reduces reflections from the water. The cabin is generously sized and offers plenty of room for fishing or for enjoying adventures. With space for up to six adults on board, the AluForce AF-E-600HT is a true space miracle thanks to its offshore bracket. For 6 persons
Very light hull
Easily trailerable
Perfect for day trips
Very fast
High railing
Aluminium buoyancy chambers
