Description

Introducing the stunning 2002 Azimut 55E Flybridge, a remarkable vessel that combines elegance and performance. With an impressive overall length of 57.33 feet, this yacht features a sleek fiberglass hull designed in a modified Vee shape, ensuring a smooth and stable ride on the water. Powered by twin Caterpillar 3196 DITA engines, each delivering 660 horsepower, this yacht is built for adventure, achieving a cruising speed of 20 mph. With only 775 and 550 hours on the engines, it promises reliability and power for your journeys. Accommodating up to three cabins and three heads, the Azimut 55E offers ample space for relaxation and comfort. This well-maintained used yacht is perfect for those seeking luxury and performance in their boating experience. Embrace the open water with the Azimut 55E, where every voyage becomes a memorable escape.
