Safety	**fog horn**

Description

This popular boat, in the sought-after Evolution version, was launched in 2005 and used with care and respect over the years. It is equipped with a large saloon and three comfortable cabins, two of which have a double bed and a dedicated bathroom with shower.
Available immediately, ready to sail and with a full tank of fuel!
Currently in the water, it also offers the interesting opportunity to take over the mooring at a renowned Croatian marina, particularly appreciated and characterized by a very limited availability if not no berths.
Possible exchanges with boats of smaller size and value, including sailing boats, are evaluated. Visible Upper Adriatic
