Azimut 62 (2009) – Excellence and Performance Ready for Immediate Delivery

We are offering for sale an excellent example of the Azimut 62, Flying Bridge model, built in 2009. This vessel represents a perfect balance between the elegance of Italian design, the comfort of its spacious interiors and high-level performance.

Maintained in optimal condition and currently located in Liguria, the vessel is available for immediate delivery. In 2025 a documented exterior refit was carried out at a value of € 30,000, thus guaranteeing a condition superior to the market average.

Main Features and Propulsion

Powered by a pair of reliable and powerful Caterpillar C18 DITA engines of 1,014 Hp each (with only 1,212 engine hours), this Azimut 62 ensures safe and comfortable cruising, reaching a maximum speed of approximately 32 knots. The transmission is inboard shaft-drive and the vessel is equipped with a bow thruster and a stern thruster to facilitate every manoeuvre in port.

Range is guaranteed by a fuel tank of 3,500 litres and a water tank of 1,000 litres, ideal for long cruises (Navigation category: B - Offshore). On board there is a Kohler 20 kW generator to meet every electrical need.

Interior Spaces and Livability

The interior layout is designed to offer maximum comfort for 6 guests and 1 crew member, with fine finishes and excellent natural light thanks to the large panoramic windows of the salon.

The sleeping area is composed as follows:

- 2 Double cabins with island berth
- 1 Twin cabin
- 3 Complete heads
- 1 Crew cabin (with its own head)

The day area offers a spacious salon with dinette seating comfortably 8 people, and a fully equipped galley (with interior refrigerator, freezer, cooktop and dishwasher). The entire vessel is climate-controlled with a reversible system for optimal comfort in every season.

Equipment and Instrumentation

The vessel is equipped with complete and up-to-date electronic instrumentation (mainly Raymarine), including: 3 GPS, Radar, Autopilot, Echo sounder, VHF radio and multifunction display.

Among the most notable deck and technical equipment are:

- Electric gangway
- Structural swim platform

- Teak cockpit with dedicated table
- Electric anchor windlass and aft mooring winch
- Complete cushion set (including cockpit)
- External BBQ/Grill

Technical Data Summary

Parameter	Detail
Shipyard / Model	Azimut / 62
