Description

Enjoy a unique Mediterranean experience aboard the Bali 4.6 Melkart I, a modern 14-metre catamaran built in 2022 that combines generous living spaces, premium amenities and exceptional comfort. Available for both weekly charters and day charters with a mandatory skipper, she is the perfect choice for families and groups of friends looking to explore Mallorca from a privileged perspective.

Accommodating up to 10 guests, this Bali 4.6 features an outstanding layout with 4 double cabins, 1 bunk-bed cabin for guests, 4 bathrooms, as well as a separate skipper’s cabin and bathroom, ensuring privacy and comfort for everyone on board throughout the journey.

One of the yacht’s greatest strengths is the remarkable sense of space she offers. Bali’s signature design seamlessly connects the saloon and aft cockpit into one large open-plan living area, creating the perfect setting for socialising, dining or simply relaxing while enjoying panoramic sea views. Guests can also unwind on the spacious foredeck sunbathing area or enjoy the elevated flybridge lounge, ideal for taking in Mallorca’s coastline or enjoying a drink at sunset.

On board, every detail has been designed to maximise comfort. Features include air conditioning, generator, watermaker, large American-style refrigerator, freezer, dishwasher, microwave, ice maker, Nespresso coffee machine, Wi-Fi and a Fusion sound system with outdoor speakers. This extensive equipment package ensures a comfortable and self-sufficient experience whether enjoying a day at sea or a longer cruising holiday.

Her base in Portocolom is one of the yacht’s greatest advantages, particularly for day charters. Widely regarded as one of Mallorca’s most beautiful and authentic natural harbours, Portocolom provides quick access to some of the island’s finest cruising grounds. Less time navigating means more time swimming, relaxing and enjoying the crystal-clear waters of Mallorca’s southeast coast.

Whether you are planning a week-long sailing holiday around Mallorca or an unforgettable day on the water, the Bali 4.6 Melkart I offers the perfect combination of space, comfort and style for enjoying the Mediterranean at its very best.
