2023 - BAVARIA C38 - Cala D'OR
First owner | German flag | Barely used | One-of-a-kind finish | Lovingly maintained

Brand new to the market, this 2023 Bavaria C38 is a rare opportunity to own a virtually unused yacht at a fraction of new-build lead times and pricing. Sold from new by her first owner and registered under German flag, she has covered only a handful of engine hours and her cabins have never been slept in — as close to "as-new" condition as a used yacht gets.
Fitted from new with the full B&G Premium Navigation Pack, Code 0, self-tacking jib and furling mainsail, bow thruster and air conditioning, she has just had her antifouling and engine service completed (May 2026) and is genuinely ready to sail away.
Lying in Cala d'Or, Mallorca, she is finished in an elegant and distinctive colour scheme rarely seen on the C38, making her stand out immediately at the dock.
Ensure your one of the first ones to look at her and contact us immediately.
