Description

Bavaria E40 Flybridge (2018) – Volvo D4-300 HP – Bow & Stern Thruster – 10kW Generator – Full A/C & Garmin Radar

Executive Overview
Presenting a meticulously maintained, fully-equipped 2018 Bavaria E40 Flybridge, built with renowned German precision and engineering. Designed for long-range efficiency, maximum interior comfort, and effortless short-handed maneuvering, this model stands out with its rare 3-Cabin / 2-Bathroom layout and upgraded Volvo Penta D4-300 HP engine shaft drive system.

Equipped with both Bow and Stern Thrusters, a 10 kW Fischer Panda Generator, Full Air Conditioning, Garmin Radar & Dual Chartplotters, and a Cockpit Davit System (Matafora), this vessel is completely turn-key and ready for worldwide cruising.
