Description

This text has been translated automatically.

Combining power and refinement, the Bénéteau Antares 12 Fly – 3-cabin, 2-bathroom version – appeals with its modern lines and comfortable cockpit, designed for the pleasure of boating.

Its 2 Mercury 2x400 hp engines, assisted by joystick and bow thruster with dual control, offer smooth and secure navigation, while the GARMIN electronics package with dual screens, echo sounder, VHF radio and rear camera ensures complete control at sea.

This Bénéteau demonstrator opportunity has less than 100 hours of operation.

Inside, bathed in natural light and featuring refined finishes, you enjoy absolute comfort:

- 3 spacious cabins and 2 elegant bathrooms

- 144 L stainless steel refrigerator

- Flybridge galley

- Convertible cockpit table in solid wood

- Indirect interior LED lighting & sound package

A model that invites you to experience the sea differently and fully enjoy every outing.
