Description

Accommodating 10 to 12 guests in 5 cabins, Dyna® is perfectly designed for family time as well as chartering with friends.

The main deck boasts a sublime owner’s cabin, with private study, walk-in wardrobe and bathroom with his and hers areas. A further 4 cabins are found on the lower deck - 2 VIP cabins and 2 twin cabins with Pullmans, all with en-suite facilities.

Combining functionality with a spacious layout in a classic modern style, she exudes a sophisticated tranquility through from the guest cabins below, main deck salon and dining areas, to the upper deck sky lounge and her extended sundeck area.

The leading feature on Dyna® is the oversized sundeck. A large Jacuzzi surrounded by serious sun lounging areas, alfresco dining options, an outdoor screen to create your very own open-air movie theatre and further sun bathing areas forward.

She comes with a host of water toys from Jet skis, Sea Bobs and wakeboards, to a trampoline, towables and snorkeling equipment.
