Other information	**Brig 650 Eagle is a new addition to the Brig family and it has took place of the older 645 model, an amazing family cruiser. Equipped with an advanced engine of 200 HP it will satisfy all of those people that are in a search for adrenaline, but one of its main purposes is also a safe ride, set for enjoying our beautiful Adriatic sea, the island of Krk and many pearls of the hiden bays and its surrounding area. It has incredible stability and safety on all levels of ride. Like every one of our boats, it has advanced navigation system and an incredible Hi-Fi system that will let you enjoy your boat ride fully! We will provide you with short instructions course before departure. A license is required to operate our vessels or you can choose the option of renting a skipper, which is charged additionally. Fuel is not included in the price. If you have any questions, feel free to message me here and I will reply to you as soon as possible!**

Description

Brig 650 Eagle is a new addition to the Brig family and it has took place of the older 645 model, an amazing family cruiser. Equipped with an advanced engine of 200 HP it will satisfy all of those people that are in a search for adrenaline, but one of its main purposes is also a safe ride, set for enjoying our beautiful Adriatic sea, the island of Krk and many pearls of the hiden bays and its surrounding area. It has incredible stability and safety on all levels of ride. Like every one of our boats, it has advanced navigation system and an incredible Hi-Fi system that will let you enjoy your boat ride fully! We will provide you with short instructions course before departure. A license is required to operate our vessels or you can choose the option of renting a skipper, which is charged additionally.
