BSC 75 — 2014 — SUZUKI 250 CV — 38 000 €
Space, comfort and the pleasure of cruising in the open air.
DUTRONC YACHTING presents this 2014 BSC 75, a 7.48-metre semi-rigid that invites you to make the most of days at sea. Its beam of 3.19 metres, its lounging areas both forward and aft, and its numerous storage spaces make it a sociable boat for outings with family or friends.
On board, everything is provided to extend stays at anchor: forward and aft sunbathing areas, a large table, a sun shade, a freshwater shower and a bathing ladder. The teak deck adds a warm touch, while the deck lighting and the aft underwater lights create a pleasant atmosphere in the evening.
Powered by a 2014 Suzuki DF250 of 250 hp, with approximately 600 hours, this example has received annual servicing by professionals and winter storage ashore of about four months each year. Several items have been recently replaced, notably the GPS/echo sounder, both batteries and the outdrive leg.
Servicing has just been carried out: the boat is ready to go.
