General Characteristics:
Shipyard and model: BSC B-2
Length overall: 9.95 m - Beam overall: 3.68 m
Dry weight: 2500 kg - Persons capacity: 14
Max engine power: 600 HP
Tube diameter: 60 cm - Tube compartments: no. 5
Fuel tank: 600 lt

Description:
The BSC B-2, on the line already seen with the B-1, combines sporty lines with cruising comfort for two people. The salon with electric table and sun lounger extension, together with the integrated galley, creates a functional and welcoming living area.
The wide console with high windscreen and double helm station ensures protection and comfort. Below deck, cabin with double bed, separate head and excellent light thanks to portholes and hull windows. Elegance, space and performance, in pure BSC style.

STANDARD EQUIPMENT:
Bow platform
Electric winches with 50 metres of chain, 10 kg stainless steel anchor
Complete upholstery with quilted effect, console with handrails, sliding door, cabin entrance and side portholes
Leather-covered steering wheel with logo on the central hub and polished stainless steel spokes
Complete cabin fit-out with upholstery, two-person berth, hull windows and wood-finish furniture
Head compartment with sink, hand shower and electric toilet complete with blackwater collection system of 35 lt and level sensor
All bow and stern lockers assisted by actuators and stainless steel closures
