Other information	**built with the desire to produce a fast boat using high-grade materials and construction methods, which included infusion-type laminating processes. interior are light and airy, thanks to the use of light-coloured wood and fabrics as well as many hatches and portholes providing natural light. The S/Y is able to accommodate up to 6 guests in 3 cabins including a Master cabin with double bed forward, en-suite bathroom with separate shower, a VIP Guest cabin with double bed forward to port side, en-suite bathroom with separate shower, a Guest cabin with bunk beds aft of the main salon on starboard side, en-suite head with separate shower. There is also a study with desk and couch on the starboard side; this can be used as a single guest cabin as well (for kids only). The yacht has been designed with the mid and forward section dedicated to the guests, which also keeps them way from traffic noise when moored stern-to. The crew quarters for 3 crew are located aft with a cabin, crew mess, navigation table, galley and separate companionway to the helm. The Baltic 77 yacht boasts great looks, offers fantastic performance and features a practical lifting keel for getting into those gorgeous secluded bays.**
