| Entertainment instruments | **CD, cockpit speakers** |
| Safety | **life raft** |
| Persennings | **bimini top** |

## Description

*This text has been translated automatically.*

Splendid fisherman from the prestigious American shipyard in excellent condition. The Cabo 35 Fly is known for its qualities both in sport fishing and cruising. Designed for fishing in demanding seas, this hull features a deep V that gives it directional stability and navigational comfort.
The interiors are impeccable, featuring a very bright salon with a table that converts into a bed, a well-equipped galley, the owner cabin forward, a second cabin with bunk beds and a spacious head with a separate shower stall.
This boat, always professionally maintained, has benefited from constant upgrades and servicing. Recently the generator, the induction hobs (inside and outside), the interior refrigerator and all the upholstery have been replaced.
The two Caterpillar 3208 engines have been removed, restored to zero hours and repainted. Since then the boat has only been used for a few cruising weekends.
Its versatility makes it perfect for those seeking optimal performance both in fishing and in leisure time.
