Description

In 1988 the Vallicelli studio, a great collaborator of Comar, signed a small 3/4 tonner, the Comet 333, for the Italian shipyard. The interiors include a cabin aft and one forward, both double, and a central area with galley on the starboard side, chart table and bathroom on the port side, followed in the bow by the saloon. Here there are two sofas (the one on the starboard "C"), a central table and numerous shelves on the side.
The sail locker is aft, in a large locker that flanks the cabin.
