We would be happy to welcome you to our huge exhibition hall in Budenheim near Mainz on the Rhine, with over 5,000 m² and a large selection of different boat models and our own shop.

Of course, a test drive on the Rhine can be arranged at short notice at any time.

The asking price includes a detailed familiarisation on handover, both ashore and afloat.

We are also pleased to offer you attractive financing options through our house bank.

Our opening hours are always Monday to Friday from 9:00 – 18:00 and every Saturday from 09:00 – 13:00.

You can find further information about us at www.europe-marine.com.
