You can enjoy your holiday on the water to the fullest in a restful environment. The ship was bought from the first owner in 2025 and has always been privately owned. It is a stylish vessel finished with solid teak joinery. With the XXL stern canopy you always sit comfortably on the spacious covered aft deck, warm and dry.
Pure luxury on the water!

At 12.9 metres in length, this De Drait Deluxe motor yacht is suitable for a group of 2 to 10 people. That makes it the ideal partner for a boating holiday with your family, relatives or friends.
On board you will find 3 cabins with 7 fixed berths, featuring several sanitary facilities, giving you plenty of space and privacy.
The spacious master cabin with a double semi-Frans bed offers plenty of storage space and its own combined shower/toilet compartment.
The guest cabin is fitted with two V-berths, an additional 3rd bed and its own toilet compartment.
The yacht also has a third cabin with a spacious double bed.
The vessel can create 2 extra berths by converting the dinette into a double bed.

Cruising with children is very possible on this De Drait Impression 42.
The De Drait Impression 42 has a swimming platform with two steps.
This offers both convenience and fun for all ages.
Everyone can easily get in and out of the water.

With the extensive navigation package including chartplotter, VHF radio, and a depth sounder, speed log with rudder angle indicator, you are also equipped with all the technical conveniences.
And that is great, because this motorboat is again very suitable for sailing on larger waters such as the IJsselmeer and, by arrangement, even the Wadden Sea.
The powerful 150 hp Iveco diesel engine and the bow and stern thrusters make the yacht always easy to manoeuvre.
The extra fuel capacity on board comes in handy if you plan to sail with this boat for a longer period.
With the manual anchor windlass you can easily choose your mooring spot yourself and drop the anchor in the water.

On the spacious teak aft deck with comfortable lounge seating you can enjoy the view from morning till evening during your boating holiday.
The heated XXL deck canopy, together with the mosquito nets provided, ensures that you can sit comfortably, sheltered and warm on the aft deck throughout the season.

With a WiFi network on board, you can wirelessly connect various devices such as computers, smartphones, tablets and other electronic devices with each other, so you can use them mobile within the coverage area.
In combination with this, you can also use the SMART TV on board.
Because at Jachtwerf Oost we understand that these facilities are also part of your holiday.

Would you like to bring your pet along?
That is no problem on this vessel.
Your faithful four-legged friend is most welcome.
