Description

A neat, sporty sailor

Dehler 28 (1989) – now for €18,900

Are you looking for a sporty and reliable sailboat? This 1989 Dehler 28 offers excellent sailing performance and has been well maintained by the current owner. Significant investments have recently been made in both a beautiful, high-quality set of sails and modern navigation equipment. This ensures you'll enjoy safe and fast performance on the water right away.

The technical foundation and equipment are rock-solid. The polyester hull requires some cosmetic maintenance (such as a thorough cleaning and polishing) to restore its full shine. This makes it a fantastic opportunity for the sailor looking for a top-notch yacht at a competitive price who wants to add the finishing touches themselves!

General
Vertical clearance: This includes the antenna
Accommodation
Other: Layout

Salon / Center:

A bright salon with a large round seating/dining area in the center.

On the starboard side is a convenient chart table.

Galley (Kitchen):

On the port side is a galley with cooking facilities and a sink.
