Description

Well-maintained and continuously upgraded DEHLER 34 from 1986 – Ready to sail and well equipped!

This DEHLER 34 is an excellent example of German boatbuilding craftsmanship, combining quality, durability, and excellent sailing performance. Thanks to ongoing maintenance and upgrades, the boat is presented in very good condition and is ready for new adventures.

The sail wardrobe is new from 2025, and the engine was replaced in 2017, meaning that some of the major and most costly upgrades have already been taken care of!

Below deck, the boat offers a spacious forward berth with room for two people, as well as a saloon with two longitudinal sofas and a generously sized table. By the companionway, the galley with oven and refrigerator is located to port, together with an aft quarter berth, while to starboard you will find the navigation station and an electric toilet.

This Dehler is an excellent choice for both the experienced sailor and the family looking for a combination of comfort and functionality.

The boat is sold launched and ready to sail.
