Interior equipment	**cockpit table**
Safety	**life raft**
Persennings	**bimini top, sprayhood**
Sails	**genoa, mainsail, spinnaker**

Description

This text has been translated automatically.

Lovely boat that served as a sailing school yacht, then for the past 4 years has returned to what it was built for: racing… with around 10 races a year. Regularly maintained, monitored and adored by its owner. It comes with an optional set of 5 sails + 4 (2 spinnakers and 2 genoas). In addition, osmosis treatment in 2025, Kiwi Grip non-slip on deck and interior painting in 2024, Dyform standing rigging in 2017 and modification of its cockpit without the CWS (Central Winch System) version in 2006. In short, this Dehler 38 is more of a performance cruiser than a pure cruising sailboat, as it has:
a relatively high-performance hull, a substantial ballast (2.6 t/6 t), a powerful rig, good acceleration, good pointing ability, and a direct-drive steering wheel. More information at +33.689.155.598.
