Dufour 40 Performance – 2006

This sailboat is renowned for its performance, reliability and comfort, both for fast cruising and for racing.

Performance version with optimised rig and excellent balance under sail. A seaworthy boat, precise at the helm and reassuring, ideal for coastal and offshore sailing.

The interior comprises 3 spacious cabins, a convertible saloon that is bright, comfortable, and a functional galley.

A complete sail inventory including a full-batten mainsail, a roller-furling genoa, a solent and a spinnaker, allowing the boat to be fully exploited in all points of sail. The equipment is completed by an electric windlass, solar panels, an inverter and a GPS/echo sounder.
