Description

Classic Evon 810 steel vlet with 33hp Vetus engine. This Evon 80 is fitted with a mahogany finished interior, outdoor cushions with grey upholstery, sand-coloured cockpit tent/bimini and a teak deck on the aft deck and bathing platform. The hull colour is light blue and the hull is finished with a classic cable fender. The technical equipment includes a bow thruster, 3000W inverter, solar panels, horn and antifouling (2025). The Evon 810 offers a spacious cockpit with cockpit table. The steering position is located in the cabin, there is a galley with a freestanding stove, large worktop and various storage spaces and a fixed V-Bed with 2 berths in the bow and an optional 3 additional berths. This Evon 810 was completely refitted in 2024!

Part-exchange considered.
