FLEVOCLIPPER 17.40. Dutch-built. One-of-a-kind model in the world. Steel luxury motor yacht. The layout is remarkable and the high-end finishes, such as the varnished wood and the blinds and curtains fitted to the numerous openings. Teak sun deck. This boat is ideal for cruising from either of its helm stations, inside or outside. Its Scania engine of 310 hp, an engine brand very renowned for its robustness. Its bow thruster makes port or sideways manoeuvres easy. Its 6 kVA generator provides all the energy needed when underway and for living aboard. Versatile, it cruises equally well at sea and on rivers. Its draught of 1.50 m allows it to use most navigable waterways. MARCO POLO is looking for its future owner; they will have to pamper it! A very good opportunity for a boating enthusiast looking for a luxury yacht. Immediately available.
