Description

Remarks :

Hanse 320 for sale in Kent Now £39,950 The highly sought-after Hanse 320 offers an outstanding opportunity to acquire a presented and lightly used example of this popular performance cruiser. Built in 2008, she combines Hanse's renowned sailing characteristics with a stylish and comfortable interior, featuring rich cherry wood joinery, cream upholstery and an eye-catching red hull.

Equipped with wheel steering, a standard fin keel, cabin heating and a sprayhood, she is equally suited to coastal cruising and longer passages. Her sailing credentials are enhanced by standing rigging renewed in October 2023, saildrive gaiter replaced in October 2023, and a full suite of new Raymarine instruments installed in 2024. The engine is scheduled for servicing in June 2026, while her last lift-out was completed in June 2025.

Offered for sale only because the owner no longer has sufficient time to enjoy her, this well-maintained Hanse 320 represents an excellent opportunity to step aboard a capable, stylish and rewarding yacht.

Please call our Kent +44 (0)1634 571605 for further information or to arrange a viewing.

Accommodation :

The Hanse 320 offers comfortable accommodation for up to six guests in a bright and spacious interior. Two private double cabins are located forward and aft, while the generous saloon provides additional berths and an inviting space for relaxing or entertaining.

Finished with upgraded cherry wood joinery and complemented by cream upholstery, the interior has a warm and contemporary feel throughout. The well-appointed heads compartment features a marine toilet, wash basin, shower, storage and a holding tank with deck pump-out facility.

The galley is thoughtfully designed with attractive Corian blue and black speckled worktops, a stainless-steel twin sink with pressurised hot and cold water, a gimballed two-burner gas hob and oven new in 2025, never been used, an insulated coolbox with 12V refrigeration, and ample storage for extended cruising. Hot water is supplied via the calorifier or 240V immersion heater when connected ashore.

Comfort afloat is enhanced by an Eberspächer Airtronic warm air heating system with outlets in the forward cabin, saloon and aft cabin. A particularly useful feature is the large cockpit locker, accessible from both the cockpit and the heads compartment, providing excellent storage for cruising equipment. The gas system is safely housed in twin self-draining cockpit lockers.
