Description

The Hausboot “Meerle” has just been completed and went straight into charter service, so we have not yet been able to upload original photos. For this reason, you are currently seeing pictures of the sister ship “LuLe 1”, which we already rented out around the Müritz in the 2023 season.

We invite you to come aboard and experience the extraordinary blend of luxury, comfort and freedom that our Hausboot has to offer.

The “Meerle” is not simply a boat, it is your personal floating retreat, designed for the highest level of enjoyment and relaxation. With a living area of approx. 30 m², every detail has been carefully selected, from elegant lines to high-quality materials, so that your houseboat holiday on the Müritz is as enjoyable as possible.

Enjoy the open living area of your rental boat, which, with panoramic windows, offers a breathtaking view of the lakes of the Mecklenburg Lake District. The living area features a TV and a comfortable couch that can be converted into two additional sleeping places with just a few simple steps. The helm station of your rented houseboat is also located in the living area. This means the captain is well protected even in bad weather. When temperatures get too warm, the air conditioning on board can be switched on.

The Hausboot is equipped with its own Wi-Fi network, so you are independent out on the open water and almost always reachable.

Two bedrooms adjoin the open living and dining area, as well as a bathroom and an open kitchen. The Hausboot is heated throughout by underfloor heating.

The fully equipped kitchen invites you to create culinary masterpieces. The kitchen has a refrigerator with a small freezer compartment, a dishwasher, a hob and an oven. Please note that the dishwasher and the oven can only be operated with shore power.

In the bathroom you will find an electric toilet, a washbasin and a shower. This gives you the usual comfort of home; your Hausboot lacks nothing.

The large bedroom has a boxspring bed with a sleeping surface of approx. 1.40 x 2 m and a wardrobe. The large bedroom of the houseboat also has floor-to-ceiling windows, so you can enjoy the beauty of nature on the Müritz and its surroundings from your bed. There is also a TV in the bedroom.

The smaller bedroom is equipped with a bunk bed and a wardrobe. Floor-to-ceiling windows have also been installed in this room.

Our Hausboot is not only of the highest standard in terms of design and comfort, but also excellently equipped technologically. From modern entertainment systems to navigation technology, the Hausboot available for rent offers everything to make your stay as pleasant as possible. On board there is both a bow thruster and a stern thruster; these two aids make docking the boat easier for you. The rearview mirror and the reversing camera provide added safety, so you have a great view of your Hausboot from all angles. For navigation, a high-quality plotter has been installed, with a nautical chart already loaded.

The “Meerle” is powered by a 60 hp engine, for which an inland sport boat licence is required. However, you can rent the Hausboot without a licence if you do not hold an inland sport boat licence; in that case, you can obtain the so-called charter certificate with us. The charter certificate replaces the inland sport boat licence during your trip around the Müritz, the Havel, the Plauer See or other lakes of the Mecklenburg Lake District. You can find more information on this on our page: Charterschein verlinken.

Experience the luxury of a private roof terrace on the water. Relax in comfortable lounge furniture and enjoy the fresh air while admiring the passing landscape around the Müritz National Park. The outdoor area of the houseboat quickly becomes your favourite place for sociable evenings or simply for listening to the rushing of the water.

Don’t hesitate and rent your exclusive licence-free Hausboot on the Müritz now for an unforgettable holiday on the water. We

look forward to welcoming you aboard and giving you a touch of luxury and freedom on the water. Discover a new dimension of travel – a holiday in Germany… a Hausboot adventure that will be remembered.
