Description

This beautiful, 2018 Interboat sloop is an ideal choice for those looking to enjoy the water. The Interboat 6.50, for rent from Own Ship Yachtcharter, is located in Loosdrecht and is fully equipped and offers comfortable berths for 4 people. The sloop can be fitted with a large cockpit tent that can be stretched over the entire boat, offering extra protection from the weather. With a draft of just 0.70 metres, this sloop is perfect for the shallow waters of the Loosdrechtse Plassen and the Vecht. It makes it easy to sail through narrow ditches and quiet canals, allowing for plenty of enjoyment of nature, tranquillity and the enchanting islands in the area. Lovely to drop anchor to enjoy the surroundings in silence.
The sloop is equipped with a spacious round seat, a sun deck both fore and aft, a spray hood for extra protection, a bow thruster for easy manoeuvring, a dry toilet and heating for comfort. The benches can be converted into berths, as shown on the floor plan. There is also a Nespresso machine on board, so a cup of coffee can be enjoyed even while sailing.
Sailing this sloop is easy and no boating licence is required. The maximum speed is 12 km per hour and suitable for up to 9 people.
The minimum rental period is 1 day.
