Jongert 20S: The excellence of Dutch large-yacht craftsmanship

The **Jongert 20S** is far more than a sailboat: it is a work of art signed by one of the most prestigious Dutch shipyards. Designed by **Douglas Peterson** to combine refinement, comfort and performance, it embodies the excellence of the Jongert tradition and the spirit of large-yacht cruising.

Thanks to its **ketch rig**, it offers smooth, balanced sailing, allowing you to cross the seas in complete serenity. Its **steel hull and deck** provide exceptional rigidity, ideal for offshore passages. The outdoor space is organised around a **very well-protected cockpit**, making manoeuvres easier even with a reduced crew.

Inside, the refined atmosphere unfolds around **fine woodwork** and light-filled spaces. The accommodation, spacious and warm, offers **an owner’s suite, two twin forward cabins convertible** and three shower rooms.

The Jongert 20S promises a life at sea without compromise, combining the performance of a large sailing yacht with the timeless charm of a **classic yacht**.
