Description

This text has been translated automatically.

CAP MED Boat & Yacht Consulting offers you this magnificent JONGERT 53.
The Dutch shipyard Jongert has a reputation for building reliable, very robust sailboats with timeless elegance.
This vessel features a very spacious and comfortable aft cabin, and the well-protected central cockpit is comfortable in all weather.
In fine weather or at anchor, the deck is an exceptional living space.

A major refit was recently carried out (2017-2019): the teak deck is new, the electronics have been modernised, and the varnish and paintwork redone. Significant work is also currently under way in the engine room (engine removal, generator, new plumbing, etc.).
The boat will soon be ready to go to sea; it has been subject to rigorous maintenance and
numerous invoices are available.

To be viewed quickly!
