Description

Propulsion: sail
Hull material: grp
Hull type: displacement
Keel type: twin
CE category: A
Design: flybridge
Usage: charter, long-distance, houseboat, familyThe 2010 Lagoon 421 in its 3-cabin version is a well-balanced catamaran that combines comfort, autonomy, and reliability. This unit, well maintained and ready to sail, stands out for its extensive equipment designed for long stays on board, including generator, air conditioning, and watermaker.

Its interior layout offers spacious, light-filled areas, with a panoramic saloon that maximizes livability and smooth circulation, enhanced by the forward-positioned mast. The exterior spaces, featuring a protected cockpit and relaxing foredeck areas, are designed for enjoying life at sea in total comfort.

A proven and versatile model, ideal for both private use and charter, thanks to its robustness, ease of handling, and solid sailing performance.GENERAL / LAYOUT
