Description

The Lagoon 46 Saramimi is a catamaran that stands out for its spaciousness, comfort and excellent layout, making it ideal for enjoying a holiday at sea whilst exploring Ibiza and Formentera.
It features four spacious double cabins, all with en-suite bathrooms, offering guests comfort and privacy throughout their stay.

Its outdoor spaces offer a variety of settings in which to enjoy every moment on board. At the bow and stern you'll find spacious sunbathing areas, perfect for relaxing and sunbathing, whilst the main saloon, surrounded by large windows, offers a bright and welcoming atmosphere, open to the outdoor deck.
One of its main attractions is the flybridge, which combines the helm with a pleasant area for enjoying the cruise and taking in the scenery. The helm, situated centrally and sheltered by a rigid bimini top, provides excellent visibility and comfort during voyages.
The Saramimi comes with a skipper, so you can leave the manoeuvring to them and fully enjoy the experience whilst discovering the islands' most beautiful coves and hidden corners. On board, you'll find a full range of facilities, including air conditioning in all cabins, a generator, a water-purification system and electric toilets, as well as spacious outdoor relaxation areas.
A perfect catamaran for spending days sailing with family or friends, enjoying anchorage in crystal-clear waters and exploring Ibiza and Formentera in complete comfort.
