Beam: 27 ft (8.53 m)
Draft: 4 ft (1.25 m)
No. Cabins: 5 + 2
No. Berths: 10+2
No. Toilets: 5
Engines: 2 × 75 HP

This Lagoon 52 represents one of the most significant design evolutions in the Lagoon range. Developed by the world's leading builder of cruising catamarans, it marks a evolution in multihull design, just as the Lagoon 500 did before it.
With its diamond-shaped vertical bows, bevelled hulls, elevated deckhouse and tall rig, the Lagoon 52 stands apart from conventional catamarans. Its originality goes far beyond appearance—every line and volume reflects the collaborative work of VPLP architects, Nauta Design, and the Lagoon design team. Their shared vision resulted in bold decisions that enhance elegance, comfort, safety, user-friendliness, and performance under sail.
Inside, the yacht offers a luxurious and contemporary atmosphere:
- Noble materials and soft tones create a harmonious interior.
- Continuous horizontal lines open generous living spaces.
- The flow between interior and exterior is seamless.
- The slender exterior profile gives the yacht a strong, distinctive character.
This Lagoon 52 is equipped for high-comfort cruising, featuring air conditioning throughout, a generator, teak cockpit, upgraded cushions, and an ice maker—ideal for extended stays on board.
