Description

This text has been translated automatically.

The Eighty 2 was designed to push the limits of comfort, design and performance at sea. This catamaran embodies innovation and elegance with its modern lines and a layout designed to offer a unique sailing experience, whether for family cruises, trips with friends, or for adventurers seeking new destinations.

Benefit from privileged support during construction and after delivery with Euro-voiles, thanks to our experienced teams who guarantee a response 7 days a week.

Euro-Voiles HD Marine has already sold and delivered many catamaran yachts and will do everything possible to make your project extraordinary!

The Eighty 2 stands out for its vast living spaces, both inside and outside. Its main cabin, bathed in natural light, offers a panoramic view of the horizon, while the spacious cockpit invites relaxation and conviviality. Every detail has been carefully studied to guarantee optimal comfort, without compromise on performance at sea.

Powered by cutting-edge technology, the Eighty 2 ensures smooth and silent sailing, while being eco-responsible thanks to its energy autonomy options, such as integrated solar panels and intelligent energy management on board.

With the Eighty 2, Lagoon Catamarans reinvents luxury on the water, offering a catamaran that combines aesthetics, performance and respect for the environment. Whether you are seeking relaxation or maritime adventures, this new model promises unforgettable moments at sea.
Let us build your boating project together: gap year, holidays, charter, management, financing arrangements, berth. Call us!
