Description

LARSON 290 CABRIO – SPORTY AND SPACIOUS WEEKEND CRUISER WITH TWIN 270 HP ENGINES, FOUR BERTHS AND FULL COCKPIT ENCLOSURE

Offered for sale is a 2007 Larson 290 Cabrio, powered by twin Volvo Penta petrol engines delivering 270 hp each, with approximately 500 reported engine hours. The boat combines a spacious cockpit with a practical interior and comfortable facilities for day trips and weekends afloat.

Equipment includes an electric anchor windlass, full cockpit enclosure, integrated bathing platform, hot and cold pressurised water, refrigerator, microwave, shore power and battery charger.

COCKPIT AND BATHING PLATFORM

The cockpit features a chaise longue and seating around a table, providing a welcoming setting for meals and relaxing with family and friends.

The full cockpit enclosure offers shelter when required. In fine weather, the canopy can be opened to enjoy the sunshine and fresh air.

Aft, an integrated bathing platform with a boarding ladder provides convenient access to the water.

Equipment includes:

Full cockpit enclosure

Cockpit table

Chaise longue

Integrated bathing platform

Bathing ladder

Electric anchor windlass

Anchor with chain and rope

Winter cover

COMFORT AND ACCOMMODATION

Below deck, the Larson 290 Cabrio offers an inviting saloon with seating and a table, together with a total of four berths. The layout allows family or guests to stay overnight and enjoy extended weekends on the water.

There is a separate heads compartment with a toilet, washbasin and shower. Hot and cold pressurised water adds to the comfort on board.

The galley equipment includes:

Hob

Compressor refrigerator

Microwave

Integrated coffee maker

Sink with pressurised water

A sound system and flat-screen television are also fitted.

ENGINES AND TECHNICAL EQUIPMENT

The boat is powered by twin 2007 Volvo Penta 5.0 GXI-G petrol engines, each delivering 270 hp, providing a combined output of 540 hp.

The engines have approximately 500 reported running hours. Fuel capacity is approximately 420 litres.

Technical equipment includes:

Twin Volvo Penta 5.0 GXI-G engines

2 x 270 hp

Approximately 500 reported engine hours

Approximately 420-litre fuel tank

Domestic and engine-start batteries

Battery charger

Shore power

Hot and cold pressurised water

Holding tank

NAVIGATION AND ADDITIONAL EQUIPMENT

The boat is equipped with navigation lights and a searchlight. Mooring lines, fenders and assorted ropes are also included.
