Description

ARNO LEOPARD 32 – 32 METERS OF PURE EMOTION, POWER AND ITALIAN ELEGANCE
The Arno Leopard 32 represents an extraordinary expression of prestigious Italian shipbuilding. A 32-meter sports yacht that combines elegant and aggressive lines, exceptional performance and a level of comfort worthy of higher category boats. Designed for demanding owners, it offers the perfect balance between power, refinement and habitability, with luxurious interiors, large areas dedicated to outdoor living and an ideal configuration for exclusive cruises in the Mediterranean. A yacht with an unmistakable character, capable of standing out in any marina and giving authentic emotions while sailing.
5 STRENGTHS
1. OUTSTANDING PERFORMANCE – 6,000 HP POWER
Equipped with three MTU 16V2000 M92 engines of 2,000 HP each, combined with three KaMeWa waterjets, it offers outstanding performance for a yacht of this size.
The declared top speed of 38 knots and the cruising speed of 28 knots perfectly express the sporty DNA of the Leopard 32.
2. ICONIC DESIGN AND TIMELESS APPEAL
The sleek lines, aggressive profile and harmonious proportions make the Arno Leopard 32 one of the most recognizable sports yachts in its category.
A design that perfectly interprets Italian style, with a combination of elegance, personality and sportiness.
3. EXCEPTIONAL OUTDOOR SPACES – FLYBRIDGE WITH JACUZZI
One of the most surprising aspects of is the extraordinary availability of outdoor spaces.
The large flybridge has a jacuzzi, dining area and generous sunbathing areas.
There is an exclusive relaxation area at the bow, while the aft area offers additional spaces to experience the sea, sunbathe and spend pleasant moments in company.
An ideal setup for those who want to enjoy the outdoors to the fullest.
4. LUXURIOUS INTERIOR – 5 CABINS FOR 11 GUESTS
It surprises with the elegance and generosity of the interiors.
The main salon offers a refined conversation area, an original bar and an important dining area with a table that can accommodate up to 12 people.
The sleeping area includes 5 guest cabins for a total of 11 beds, with five dedicated bathrooms.
Refined materials, elegant finishes and a careful distribution of spaces contribute to creating an exclusive and welcoming atmosphere.
The galley is located on the lower deck, separate from the main guest areas.
5. SUPERYACHT COMFORT AND GREAT VERSATILITY
With its 32.20 meters in length and 7.35 meters in width, it offers large volumes and a distribution of rooms designed to ensure privacy and comfort.
The crew quarters, separate from the guest cabins, comprise two cabins with a claimed overall capacity of five people.
The generous aft platform also allows you to make the most of contact with the sea and water activities.
