The Leopard 34m is an open yacht built of composite Kevlar and fiberglass which carries the signature of the well-known designer Andre Bacigalupo.

Over 100 tons are propelled by 2400 horsepower engines distributed on the three hydro jet propellers. The 34m can reach a maximum speed of 45 knots in full comfort and absolute safety. She has the typical brilliant performance of an open yacht.

The exterior living areas are spacious both at sern and bow, and allow complete enjoyment at sea, with wide sunbathing areas designed according to the owners' wishes. Accommodation for owner + guests: 8+1 persons. Accommodation for crew: 4/5 persons
