Description

2020 ROBERTSON AND CAINE LEOPARD 40 4 Cabin - Mimosa

BUILDERS REMARKS: The Leopard 40, a product of South African boat builders Robertson & Caine, features a unique, modern design thanks to experienced naval architects Simonis and Voogd as well as Robertson & Caine's design team. She resembles her predecessors in speed, agility and blue-water performance, but her enhancements include an increased hull volume and an innovative interior layout which is unlike any Leopard before her. Her galley is located forward and the forward-facing settee and window add an access door to the forward platform of the boat. This allows for a panoramic view with large sliding glass doors between the salon and the cockpit. This arrangement promotes easy communication for guests and an even flow between the two areas, creating a fusion of indoor and outdoor living space.

BROKERS REMARKS: Mimosa is a 2020 Leopard 40 in the 4-cabin, 2-head walk-around aft layout. Located in Tortola, British Virgin Islands. Asking price is USD 319,000. Twin Yanmar 3YM30 AE engines, Northern Lights 6 kW generator (about 2,699 hours as of June 2024), solar, air conditioning, electric davits, and forward walk-through door. Lighter ash interior. Lighter usage during recent years has left engine hours lower than many sisterships.

AVAILABILITY: This yacht can be sold with a phase out or sold AS IS / WHERE IS. Contact the Fort Lauderdale office to schedule a viewing.
