Description

2022 ROBERTSON AND CAINE LEOPARD 42 - 3 Cabin - AVANTI

BUILDERS REMARKS: Exclusively built by Robertson & Caine and designed by naval architects Simonis Voogd, the Leopard 42 blends superior finishes and materials, creating a one-of-a-kind vessel that balances comfort, performance and ease of handling.

BROKERS REMARKS:
AVANTI is the first Leopard 42 to hit the market, and with very limited availability expected through 2026, she represents a rare opportunity. This is the desirable 3-cabin, 3-head owner’s version, featuring the entire starboard hull dedicated to an expansive owner’s suite. She carries the latest interior décor package and comes exceptionally well-equipped with:
Air conditioning
Generator
Water maker
Inverter
Twin Yanmar engines
Electric davits
Forward walk-through door
Hardtop with upgraded upper lounge
Her engine and system hours are lower than typical thanks to reduced usage during the COVID period. Currently lying in St. Lucia, she’s perfectly positioned to begin cruising immediately in one of the Caribbean’s most beautiful sailing grounds.

AVAILABILITY: This yacht is finishing phase out in Saint Lucia and will be ready soon. Contact the Fort Lauderdale office to schedule a viewing..
