Description

Pauline is a motor catamaran designed to let you enjoy the sea in complete comfort. Her wide bow and spacious flybridge offer the perfect spot for sunbathing, relaxing and sharing unforgettable moments with family or friends.

Inside, you'll find three cabins, one of which is a suite, as well as a fully equipped galley, a bright saloon and practical bathrooms. Thanks to its twin-hull design, it offers stable and smooth sailing even on long voyages.

Pauline is fitted with two 300 CV engines, capable of reaching 30 knots, providing the power and versatility needed to get to any cove quickly and anchor wherever you wish.

What's more, she features all the extras to maximise comfort on board: a generator, air conditioning in the saloon and cabins, a barbecue, modern navigation systems, solar panels and a watermaker, ensuring a completely self-sufficient and comfortable experience.

Pauline is an experience: relaxation, good vibes and magical moments gliding through the waters of Ibiza.
