FENDERS: Yes
WINDLASS: Lewmar Electric
DAVITS: SS Custom w/ Electric Winch
PRIMARY ANCHOR: Delta 55 lb with 165’ of chain
SECONDARY ANCHOR: Britany 35 lb
SAFETY EQUIPMENT: Fire extinguishers
OTHER EQUIPMENT: Anchor bridle, mooring equipment: fenders, mooring lines
BOTTOM PAINT: Excellent condition, painted summer 2022
UNDERWATER LIGHTS - 2 x Blue mounted in stern

Additional Details

Founded upon the ethos of continuous innovation and feedback from cruising clients, the new Leopard 45 sailing catamaran represents astute value, elegant lines and satisfies blue water passion.

With naval architecture by Simonis & Voogd Yacht Design, and with exterior and interior design by the world-class design team at Robertson and Caine, the Leopard 45 Sailing Catamaran not only builds on the best features of the current Leopard range, but most notably offers new exterior styling and enhanced interior accommodation.

The exterior styling has evolved from the more curvaceous deck features on the current Leopard range, into a sharper, more angular look, topped by a sleek new saloon hardtop, which extends from aft cockpit to forward cockpit.

Available in a 3 or 4 cabin layout, the Leopard 45 offers the perfect entertainment package with increased aft area with new layout, ergonomically designed open plan saloon and galley, larger forward cockpit, and more onboard area.

She’s sleek and nimble, yet comfortable. She incorporates a heritage of Leopards spanning twenty five years of production expertise.
The Leopard 45’s increased area, ergonomically designed open plan saloon and galley, increased forward cockpit and more onboard area make her the ideal catamaran for guest entertaining as well as long-range cruising.
Onboard entertaining is accentuated with ample dining space, and forward facing L shaped seating communicating directly with the galley, situated forward. Wide sliding saloon doors afford panoramic views towards the stern, allowing the interior saloon to flow naturally towards the outside aft and forward cockpit.
The boat is flooded with natural light during the day and after sunset, illuminated by subtle hidden lighting, with individual spotlights to highlight certain areas.
Designed for a modern, blue water lifestyle, the Leopard 45 features a raised helm station covered by a hardtop bimini, with direct access from the cockpit and side deck. All sailing lines lead to easily accessible winches, the primary winches being electric, and operated by footswitches.

In summary, the Leopard 45 Sailing Catamaran delivers uncompromised, exceptional build quality throughout, new, sleek styling, a sensible and practical layout, sailing comfort across all sea states, and features innovative technologies and multiple entertainment areas.

Description

2020 ROBERTSON AND CAINE LEOPARD 45 – Jabulani

Builder's Remarks: We are pleased to announce that the Leopard 45 has been awarded 2017 Boat of the Year by Cruising World Magazine. This marks the 7th Cruising World Boat of the Year win by Leopard. This year’s award was in the newly created Best Charter Catamaran category proving that South African Builders, Robertson and Caine, have perfected the art of not only creating the perfect boat but one that is perfectly suited for the charter industry as well.

The judging was done by a team of three independent industry experts, who conducted thorough dockside inspections and then carried out sea trials. The Leopard 45 proved to be the leader of the pack in all areas of the judging. What stood out in particular was her performance and innovation. Additionally, the judges were impressed by the amount of space provided by the forward cockpit, which is connected to the saloon through a translucent door. Another area of interest to the judges was the main saloon, which hosts a forward facing galley and dinette. The judges also noted that visibility through the Leopard 45 is excellent.

Broker's Remarks: Jabulani is a 2020 Leopard 45 located in the Abacos, Bahamas, and heading to Saint Lucia to complete its phase-out refit. Asking price is USD 379,000. Twin Yanmar 4JH45 diesels (45 hp each); engine hours not shown in Propulsion (Additional Specs lists about 1,708 / 1,698 as of December 2023 — confirm before publishing). Northern Lights 9 kW generator (hours/date not shown). Forward cockpit connected to the salon, flybridge living, and the 45’s open salon-to-aft-cockpit flow.

Availability: This yacht’s phase out is targeted for completion in October/November 2026 and will then be ready to sail away. Contact the Fort Lauderdale office to schedule a viewing.
