Anchor chain counter QUICK
Search light SR-1012 SANSHIN

Description

This Mangusta 80 is a 25.08m Motor Yacht in very good condition, built in GRP by Overmarine Spa in Italy and was delivered in 2000, featuring a deep-V planing hull and GRP superstructure, with teak laid deck. She is a comprehensively equipped yacht, fully refurbished and powered by twin M.T.U. diesel engines of 1862hp each transmitting to Arneson ASD16 Surface drives; she smoothly cruises at 36 knots while is capable of reaching a top speed up to 44 knots.
The interior has been designed to comfortably accommodate up to (7) guests in (3) cabins consisting of the Master suite forward, and amidships the VIP cabin with a double bed at the port side, and one twin cabin + an additional Pullman berth, at the starboard side, all with private bathrooms. She accommodates up to (3) crew members in (1) cabin with facilities in separate quarters under the fore deck. The spacious cabins are complimented by large daytime areas both inside and out.
