Description

Mitchell 23 – Classic British Seaworthy Motor BoatA fantastic opportunity to acquire a **Mitchell 23**, a true icon of British boat building. Renowned for their rugged construction and exceptional sea-keeping ability, Mitchell boats have long been favoured by fishermen, harbour authorities and serious leisure users alike.
This particular example offers the perfect blend of traditional design, practical layout and dependable diesel power.

Key Details Model:

Mitchell 23
Age: 1980
Engine: 2010 58HP TDME490 inboard marine diesel (serviced 2025)
Drive: Shaft drive
Construction: Heavy-duty GRP
Hull Type: Displacement / semi-displacement
Use: Ideal for fishing, coastal cruising, workboat or leisure

DescriptionThe **Mitchell 23** is widely respected for its ability to handle challenging coastal conditions with confidence. Built with a **deep, solid hull form and weighty GRP lay-up**, these boats inspire reassurance at sea, whether pottering locally or venturing further afield.
This example retains the hallmark **practical and uncluttered cockpit layout**, offering plenty of working space, perfect for angling, diving, or general day boating. Inside, the wheelhouse provides essential protection from the elements, with simple accommodation suitable for occasional overnight use.
Mongoose has been freshly antifouled, new annodes, new fake teak on sidedecks, and fresh paint on the hull.
Powered by a **58HP TDME490 inboard diesel engine**, the boat delivers reliable, economical performance. These engines are commonly used in lifeboat applications, highlighting their durability and simplicity, ideal for an owner seeking straightforward, dependable boating without complex systems.

Why Choose a Mitchell?Mitchell Boats have built a lasting reputation since the late 1960s for:
Exceptional seaworthiness – designed for UK coastal conditions
Robust GRP construction – built to last
Practical layouts – easy to customise for multiple uses
Strong resale appeal – always in demand
The Mitchell 23, in particular, offers a **manageable size with serious capability**, making it a versatile choice for both newcomers and experienced boaters.

SummaryA **solid, honest British motor boat** with bags of character and proven performance. Whether you're upgrading, downsizing, or looking for a capable all-rounder, this Mitchell 23 represents excellent value and an opportunity to own a piece of classic UK marine heritage.
