Description

This text has been translated automatically.

The Modulo M is an inflatable designed to offer great stability and comfort thanks to its GRP keel, with carefully finished details and quality materials. Ideal for day outings and leisure activities, it combines the practicality of an inflatable with the solidity of a rigid hull. Hull technical data: Length: 7.80 m, width 2.50 m, year 2008, keel: GRP (VTR), trailerable, easy to transport. Hull with underwater paint HM (hard matrix) recently applied. New tubes with warranty until 02/2027.

Central console and canopy in stainless steel, GRP comfort rear platform with stainless steel ladder, electric winches at the bow with chain and Danforth anchor, stainless steel gasoline tank, complete electronic instrumentation, echo sounder, two bilge pumps, two new batteries, perimeter grab rails, new stern and bow cushions, various safety and onboard equipment included.
Ad title: Modulo M + Mercruiser 4.3 235HP (ALL 2008)
Make: Modulo M
Engine: Mercruiser
Engine year: 2008
