Sails	**gennaker, genoa, lazy bag, lazy jacks, fully battened main**

Description

Designed by Marc Lombard, this 2020 Nautitech 40 Open is fully equipped for long-range cruising and complete autonomy. Her 4 double cabins, 2 heads and forward peak berths sleep up to 10. She is powered by twin 50 HP Volvo Penta D2-50 engines (approx. 3,000 hours). Self-sufficiency is outstanding, with an 800 Ah house bank, 1,150 W of solar panels, a 2,000 W inverter and a 70 L/h watermaker. A full-batten mainsail, self-tacking jib, furling gennaker and complete B&G electronics with autopilot and AIS make for relaxed sailing. A 3.10 m RIB on davits, electric windlass and safety equipment for 8 complete the package. Fresh antifouling in October 2025 and annually inspected rigging: ready to sail
