The Navan C30 is a modern, next-generation powerboat designed to offer a perfect balance of performance, comfort and versatility. This approximately 9-metre model stands out for its contemporary design, clean lines and excellent use of onboard space, making it an ideal day boat for sea outings as well as coastal cruising.
Thanks to its high-performance hull and powerful outboarder engine, the Navan C30 delivers stable, safe and dynamic handling, with excellent cruising speed and acceleration. It is designed to offer a smooth and intuitive driving experience, suited to experienced skippers as well as boaters seeking simplicity and enjoyment on the water.
The spacious cockpit offers great versatility with comfortable seating, a sunbathing area and a sociable dining space, allowing you to fully enjoy days at sea. At the bow, a second relaxation area completes the exterior layout, reinforcing the boat’s versatile character.
Inside, the Navan C30 offers a bright, well-laid-out cabin that can accommodate several berths as well as a functional washroom. Modern finishes and numerous storage spaces make it perfectly suited to extended outings or weekends at sea.
Designed for conviviality, performance and comfort, the Navan C30 is an ideal boat for those looking for a recent, elegant and easy-to-live-with model, whether for recreational boating or coastal cruising.
