Deck equipment	**bathing ladder (2x), deck shower, fenders**
Interior equipment	**electric toilet**
Safety	**fog horn**

Description

NOAH 29: the sea has never been so comfortable.
If you are looking for a dinghy that will take you beyond the usual day at sea, this is the right one.
The Noah 29 is a 9.40-meter maxi dinghy that has everything you need to leave in the morning and decide where to sleep only later. The shipyard thinks of it for mini-cruises and for days with many friends on board, and it shows.
Really live it, not just for an hour.
Changing room with toilet, shower, outdoor kitchen with sink, stove and refrigerator. With this equipment, lunch at anchor and weekends on the boat become normal.
Space for sunbathing, and a lot.
Sundeck at the bow of over 2 meters and relaxation area at the stern: there is something for everyone, even with a full boat.
You enter where other boats can't reach.
With 60 cm of draught you can get closer to the coast and the most beautiful coves, without a second thought.
I load everything, without giving up anything.
Capacious lockers under the sundecks, telescopic steel awning, electric windlass and retractable cleats: the boat is designed for those who use it.
Performance to match.
Cruising speed around 28 knots and peaks up to 49, without exaggerated consumption.
Built with care.
Fiberglass hull, concealed hinges, hydraulic pistons on the lockers and neat finishes: these are the details that are noticeable when the boat is yours.

GOOD GENERAL CONDITION. FOR INFORMATION: VITTORIO +393478393700
Documented annual maintenance

INTERIOR
- Changing room with electric toilet
