Pershing 40

€ 120,000

Boat builder:	Pershing	Length:	13.20 m
Boat type:	powerboat	Beam:	4.10 m
Category:	used boat	Year built:	1996
Location:	Italy, Genova	Cabins:	2
		engine:	2x Caterpillar, 425 hp (313 kW), diesel

Supplier:
Seacrest Broker
Lavagna
16033 Lavagna
Italy

Mobile: +39 345 7637 876
Languages: English, French, Italian

Details

Boat ID	**s318480**
berths	**4**

Technical data

Draught	**1.20 m**
Hull material	**GRP/polyester**
Water tank	**450 ltr**

engine

Model	**Caterpillar**
Power	**425 hp (313 kW)**
Model	**Caterpillar**
Power	**425 hp (313 kW)**

Equipment

Navigation	**autopilot, compass, echo sounder, GPS, plotter, radar, speed log, VHF radio**
Technical equipment	**battery charger, generator, inverter**
Interior equipment	**microwave, oven, refrigerator**
Entertainment instruments	**television**

Description

Pershing 40 Open — The pleasure of being at the helm

Some boats invite you to slow down. Others make you want to head out to sea.

The 1996 Pershing 40 Open belongs to the second category: an Italian sport open with an unmistakable profile, designed for those who see boating as an essential part of the pleasure of going to sea.

Propulsion is provided by two Caterpillar 3208 diesels of 425 hp each, with a traditional inline shaft transmission. A configuration that reflects the character of this Pershing through the direct connection between owner, helm and sea.

GPS, chartplotter, echo sounder, compass and autopilot accompany navigation. Hydraulic trim tabs allow adjustment of the trim, while the bow thruster makes manoeuvring in harbour spaces easier. The electric windlass makes stops at anchor more practical.

Once at your destination, the Pershing 40 changes pace.

The open cockpit becomes the place to enjoy the day, between a stop in the sun and lunch with friends. The external fridge keeps drinks and provisions within easy reach, without interrupting time spent outdoors.

The Besenzoni hydraulic gangway makes boarding easier, while the 4 hp dinghy with outboard offers a practical solution for trips to the shore.

Below deck, the equipment includes an induction hob, oven, microwave, fridge and sink: everything needed to organise a weekend without giving up the comfort of preparing meals on board.

Hot/cold air conditioning contributes to comfort in every season. Supporting the systems are an inverter, battery charger, hot water boiler and water pressure pump.

A feature worth highlighting is the 4 kW generator, declared new in 2023, which adds practicality in managing electrical loads.

This Pershing 40 is aimed at those seeking a sporty yacht with an authentic character, with the personality of the Pershing tradition and the equipment needed to alternate between cruising, days at anchor and weekends along the coast.

For those who know that the most beautiful moment of a day at sea sometimes begins precisely when you take hold of the throttles.

Main features:
Shipyard: Pershing
Model: 40 Open
Year: 1996
Engines: 2 × Caterpillar 3208 of 425 hp
Diesel fuel
Inline shaft transmission

INSTRUMENTATION
