Description

The Pershing 5X M/Y POLAR is a bold coupé whose name, inspired by a code used in the aeronautical world to describe extreme performance and technological evolution, reflects an unquenchable thirst to explore new horizons at great speed. Marking the beginning of a remarkable new chapter in Pershing’s history, the 5X combines aggressive Italian styling with innovative engineering and exhilarating performance. Conceived by Fulvio De Simoni, her sleek profile reveals expansive glazing, a retractable sunroof and beautifully connected indoor and outdoor spaces. Designed for those who seek adventure without compromising comfort, POLAR promises unforgettable days at sea, with the freedom to discover new destinations in unmistakable Pershing style.
