Description

M/Y HAPPY DAZE is a Pershing 5X that captures the brand’s unmistakable combination of performance, design and everyday usability. Delivered in 2024 and finished in Pershing’s signature metallic silver colour scheme, she offers contemporary styling with strong visual identity and impressive handling. Powered by twin Volvo D11 IPS950 engines, HAPPY DAZE reaches 36 knots while maintaining straightforward manoeuvrability through joystick control and integrated navigation systems. Her large glazing surfaces and panoramic roof create an unusually bright atmosphere throughout the yacht, reinforcing the seamless connection between interior and exterior living. VAT paid and lightly used, she presents as a clean, turnkey opportunity.
